Tender Description

Sealed competitive tenders are invited from experienced firms and individuals for undertaking the annual contract for the collection, transportation, delivery, loading, unloading, and allied services of machined components, finished products, raw materials, tools, machine parts, and other materials between the SIDCO Tool Room cum Training Centre (TRTC), Kozhikode Unit and various ISRO units located in Thiruvananthapuram District.

The scope of work includes collecting machined components and various products dispatched from the Store Section of the SIDCO TRTC, Kozhikode Unit through courier services at Thiruvananthapuram Central (Thampanoor) Railway Station, Bus Stand, and various courier offices, and ensuring their safe, secure, timely, and responsible delivery, including loading and unloading, to the designated ISRO units in Thiruvananthapuram District.

The contract also includes the collection of raw materials, machine parts, tools, and other materials from the respective ISRO units and transporting them, as required, to Thiruvananthapuram Central (Thampanoor) Railway Station, Bus Stand, or designated courier offices for onward dispatch through courier/parcel services to the SIDCO Tool Room cum Training Centre (TRTC), Kozhikode (Pantheerankavu) Unit, including loading and unloading operations.

The tenderer shall possess adequate transportation facilities, suitable vehicles, and sufficient manpower to execute the work efficiently. The successful contractor shall ensure the safety and security of all materials during collection, handling, transportation, loading, unloading, and delivery, maintain timely execution of the services, and exercise due care in handling confidential and sensitive materials. The services shall be rendered strictly in accordance with the terms and conditions of the contract and the instructions issued by SIDCO from time to time.

The rates quoted in the tender shall be inclusive of all charges towards collection, loading, unloading, handling, transportation, delivery, labour, fuel, taxes, and all other incidental expenses required for the satisfactory execution of the contract. No separate payment or additional claims on any account whatsoever shall be entertained during the contract period.

Scope of Work

1. The contractor shall collect the machined components, raw materials, tools, and other items dispatched by courier from the Store Section of SIDCO Tool Room cum Training Centre (TRTC), Kozhikode Unit, from Thiruvananthapuram Central Railway Station, Bus Stand, or designated courier offices.
2. The collected materials shall be transported safely, securely, and within the stipulated time to VSSC, LPSC, and other ISRO units, as instructed, and handed over to the authorized officials. The contractor shall obtain the Acknowledgement/Proof of Delivery and submit the same to SIDCO TRTC.

3. The contractor shall collect raw materials, components for machining, tools, and other materials from VSSC, LPSC, and other ISRO units and, as instructed, arrange to dispatch them to SIDCO TRTC, Kozhikode Unit by delivering them to Thiruvananthapuram Central Railway Station, Bus Stand, or designated courier offices through bus, railway, or courier/parcels service.
4. The contractor shall be fully responsible for loading, unloading, handling, booking, transportation, delivery, handling of all related documents, and collection and submission of delivery acknowledgements/receipts.
5. The contractor shall be solely responsible for the safe custody and security of the materials from the time they are taken over until they are delivered to the authorized recipient and the acknowledgement of receipt is obtained. The contractor shall be fully liable for any loss, damage, shortage, misplacement, or wrong delivery of the materials occurring during transportation, loading, unloading, handling, temporary storage (wherever applicable), or at any stage of the delivery process. In the event of any financial loss or other liability suffered by SIDCO due to such incidents, SIDCO shall have the right to recover the actual value of the loss, together with any incidental expenses, from the contractor's pending bills or by any other lawful means.
6. The contractor shall provide the required services on all working days, holidays, and in emergency situations whenever requested by SIDCO. The contractor shall ensure the availability of the required vehicle(s) and manpower within the time specified by the organization.
7. The contractor shall maintain strict confidentiality regarding all materials, documents, drawings, and information handled during the execution of the contract. No information relating to the materials or the work shall be disclosed to any third party without the prior written permission of SIDCO.
8. During the contract period, the contractor shall strictly comply with all instructions issued by SIDCO, as well as the security regulations, entry procedures, and other operational guidelines in force at VSSC, LPSC, and other ISRO establishments.
9. Wherever packing is required for the safe transportation of Machined Components, Raw Materials, Tools, and Other Materials, the Contractor shall undertake the necessary packing. The actual packing charges incurred shall be reimbursed to the Contractor upon submission of genuine original bills, subject to verification and approval by SIDCO. Reimbursement shall be limited to the actual packing cost incurred.

2. The collected materials shall be transported safely, securely, and within the stipulated time to VSSC, LPSC, and other ISRO units, as instructed, and handed over to the authorized officials. The contractor shall obtain the Acknowledgement/Proof of Delivery and submit the same to SIDCO TRTC.
3. The contractor shall collect raw materials, components for machining, tools, and other materials from VSSC, LPSC, and other ISRO units and, as instructed, arrange to dispatch them to SIDCO TRTC, Kozhikode Unit by delivering them to Thiruvananthapuram Central Railway Station, Bus Stand, or designated courier offices through bus, railway, or courier/parcels service.
4. The contractor shall be fully responsible for loading, unloading, , handling, booking, transportation, delivery, handling of all related documents, and collection and submission of delivery acknowledgements/receipts.
5. The contractor shall be solely responsible for the safe custody and security of the materials from the time they are taken over until they are delivered to the authorized recipient and the acknowledgement of receipt is obtained. The contractor shall be fully liable for any loss, damage, shortage, misplacement, or wrong delivery of the materials occurring during transportation, loading, unloading, handling, temporary storage (wherever applicable), or at any stage of the delivery process. In the event of any financial loss or other liability suffered by SIDCO due to such incidents, SIDCO shall have the right to recover the actual value of the loss, together with any incidental expenses, from the contractor's pending bills or by any other lawful means.
6. The contractor shall provide the required services on all working days, holidays, and in emergency situations whenever requested by SIDCO. The contractor shall ensure the availability of the required vehicle(s) and manpower within the time specified by the organization.
7. The contractor shall maintain strict confidentiality regarding all materials, documents, drawings, and information handled during the execution of the contract. No information relating to the materials or the work shall be disclosed to any third party without the prior written permission of SIDCO.
8. During the contract period, the contractor shall strictly comply with all instructions issued by SIDCO, as well as the security regulations, entry procedures, and other operational guidelines in force at VSSC, LPSC, and other ISRO establishments.

9. If more than one consignment(Delivery Point) is required to be handled on the same day, payment shall be made separately for each consignment based on the applicable approved weight slab.
10. Wherever packing is required for the safe transportation of Machined Components, Raw Materials, Tools, and Other Materials, the Contractor shall undertake the necessary packing. The actual packing charges incurred shall be reimbursed to the Contractor upon submission of genuine original bills, subject to verification and approval by SIDCO. Reimbursement shall be limited to the actual packing cost incurred.
11. Combined Delivery and Collection Charges:- In cases where, during the same trip, the contractor simultaneously delivers materials (including finished machined components, raw materials, tools, or any other materials) from the SIDCO Tool Room cum Training Centre (TRTC), Kozhikode Unit to the designated destination and collects materials from the same destination for onward dispatch to TRTC through Thiruvananthapuram Central Railway Station, Bus Stand, or designated courier offices, the transportation charges shall be regulated as follows:
 - The full applicable rate shall be paid for the consignment falling under the higher weight slab.
 - The other consignment (delivery or collection, as the case may be) shall be paid at 50% (half) of the applicable rate corresponding to its respective weight slab.
 - No separate or additional trip charges shall be admissible for such combined delivery and collection undertaken during the same journey.
 - The contractor shall clearly indicate the details and weight of both consignments in the bill, and the billing shall be subject to verification by SIDCO.

Termination of Agreement

1. The Contractor agrees that if he/she/it commits a breach of any of the terms and conditions of this Agreement, fails to provide satisfactory services, fails to comply with the lawful instructions issued by SIDCO, or causes undue delay in the execution of the work, SIDCO shall have the right to terminate this Agreement by giving prior written notice to the Contractor.
2. Notwithstanding the above, in the event of any material or serious breach of this Agreement, including but not limited to fraud, submission of false or forged documents, misconduct, abandonment of work, or any act prejudicial to the interests of SIDCO, SIDCO shall have the right to terminate this Agreement with immediate effect without assigning any further notice and without prejudice to its right to recover damages or to take such other legal action as may be permissible under law.

Compliance with Security Regulations

1. The Contractor and all personnel deployed by the Contractor under this Agreement shall strictly comply with all security instructions, entry regulations, identification procedures, and other

security guidelines applicable to the premises of ISRO, VSSC, LPSC, or any other designated institutions where the services are to be performed.

2. Any violation of such security regulations shall be treated as a material breach of this Agreement and shall entitle SIDCO to take appropriate action, including termination of the Agreement, in accordance with its terms.

Assignment and Sub-contracting

The Contractor shall not assign, transfer, sub-let, or sub-contract the whole or any part of this Agreement to any other person, firm, or agency without obtaining prior written approval from SIDCO. Any unauthorized assignment or sub-contracting shall be deemed a breach of this Agreement and shall entitle SIDCO to terminate the Agreement.

Responsibility for Personnel

The Contractor shall be solely responsible for the conduct, discipline, behaviour, integrity, and performance of all personnel engaged by the Contractor for the execution of this Agreement. Any act of misconduct, negligence, or violation committed by such personnel shall be deemed to be the responsibility of the Contractor.

Force Majeure

Neither party shall be held liable for any failure or delay in performing its obligations under this Agreement if such failure or delay is caused by Force Majeure events including, but not limited to, natural calamities, floods, earthquakes, fire, strikes, lockouts, riots, war, Government restrictions, or any other cause beyond the reasonable control of the affected party. In the event of such Force Majeure circumstances, the affected party shall promptly notify the other party in writing regarding the occurrence, nature, and expected duration of such event.

Blacklisting and Debarment

1. The Contractor agrees that submission of any forged, fabricated, false, or fraudulent document, wilful breach of any provision of this Agreement, or any serious deficiency or misconduct in the performance of the services shall constitute a material breach of this Agreement. In such event, SIDCO shall have the right to terminate this Agreement forthwith, without prejudice to any other rights or remedies available under this Agreement or under applicable law. SIDCO may also initiate appropriate blacklisting or debarment proceedings against the Contractor in accordance with the applicable Government rules, regulations, and procedures, which may render the Contractor ineligible to participate in future tenders or contracts of SIDCO and other Government Departments, Public Sector Undertakings, or Government organizations, as applicable.

CONTRACT PERIOD

1. Duration of the Agreement:- The contract shall remain valid for a period of One (1) Year from the date of execution of the Agreement, or until the cumulative value of work orders executed under

this contract reaches ₹2,50,000/-(Exclusive of GST) (Rupees Two Lakh Fifty Thousand only), whichever occurs earlier, unless terminated earlier in accordance with the terms and conditions of the contract.

2. **Contract Rates;-** The Contractor agrees that the rates accepted by SIDCO under this Agreement shall remain firm and fixed throughout the currency of the Agreement and shall include all expenses towards collection of consignments, loading, unloading, handling, transportation, delivery, labour charges, vehicle charges, fuel, toll charges, parking charges, waiting charges, documentation, submission of Proof of Delivery (POD)/Acknowledgement, and all other incidental expenses necessary for the proper and satisfactory execution of the services under this Agreement.
3. **Price Variation;-** The Contractor shall not be entitled to claim any escalation or revision in the agreed rates during the currency of this Agreement on account of increase in fuel prices, wages, labour charges, transportation costs, or any other reason whatsoever, except where any statutory revision is specifically made applicable by the Government and expressly accepted by SIDCO in writing.

Packing Charges

Wherever packing is required for the safe transportation of Machined Components, Raw Materials, Tools, and Other Materials, the Contractor shall undertake the necessary packing. The actual packing charges incurred shall be reimbursed to the Contractor upon submission of genuine original bills, subject to verification and approval by SIDCO. Reimbursement shall be limited to the actual packing cost incurred.

Payment terms

1. The Contractor shall submit bills only after successful completion of each consignment/trip in accordance with the terms and conditions of this Agreement.
2. Payment shall be released only after verification and acceptance of the bill and all supporting documents by SIDCO TRTC. The decision of SIDCO regarding the admissibility of any bill shall be final and binding on the Contractor.
3. The Contractor shall ensure, prior to submission of any bill, that all materials collected from SIDCO TRTC have been safely and timely delivered to the respective VSSC, LPSC, or other designated ISRO Units, as instructed, and that the duly signed Proof of Delivery (POD)/Acknowledgement from the authorized receiving official has been obtained and submitted to SIDCO TRTC.
4. Each bill submitted by the Contractor shall be accompanied by the following documents:

- Original Bill/Invoice;
 - Proof of Delivery (POD)/Acknowledgement duly signed by the authorized official of the receiving unit;
 - Consignment Note/Air Waybill (AWB)/Lorry Receipt (LR)/Parcel Receipt, wherever applicable;
 - Any other documents as may be required by SIDCO.
5. No payment shall be made for any consignment in respect of which the required supporting documents, including the Proof of Delivery (POD)/Acknowledgement, are not submitted or are found to be incomplete or incorrect.
 6. SIDCO reserves the right to withhold or make deductions from any payment, either wholly or partly, in respect of any consignment involving delay, loss, damage, shortage, misdelivery, or any breach of the terms and conditions of this Agreement, until such issues are satisfactorily resolved.
 7. All payments shall be made only through electronic transfer to the Contractor's bank account, after deduction of applicable statutory taxes, TDS, and other deductions as per prevailing Government rules and regulations.
 8. No interest shall be payable by SIDCO for any delay in payment arising due to incomplete documentation, submission of incorrect bills, or non-compliance with the terms and conditions of this Agreement.
